

Parent Update 23.2.21

Dear Parents and Carers,

I hope you have enjoyed half term and the slightly better weather. What great news last night about the remote learners being able to come back into school from Monday 8th March! We are really looking forward to seeing everyone! Please continue with the children's remote learning until then.

I will update our risk assessments and share them with you next week alongside details of staggered start times and other covid safety measures. In the meantime, I would be grateful if you could let us know what your requirements are for Breakfast and Afterschool Club so we can organise staffing. Even if you were using the Breakfast and Afterschool club before lockdown or currently in keyworker provision, you still need to do this. Please click the link to access and complete the form.

World Book Day on Friday 5th March.

We will be celebrating on Friday 5th March. There will be a number of things relating to this posted by the teachers in the Google classrooms but here are two that parents may want to know about in advance.

Dress up as a book character. Remote learners can send us their pictures or show off their costumes in assembly.

Booked potato challenge. All children (in school and remote learners) are challenged to turn a potato into a book character. Take a photo and send it to your teacher (an assignment will be created in your Google Classroom). All entries to be in by Thursday 4th March. Prizes to be won. Here are some photo examples.

Parents Evening – We will hold these via zoom on 29th, 30th and 31st March. We will do two or three classes each day so that we are sure our broadband can cope. Parents will be appointments via School Spider as we did last time.

Thank you again for your support of school and cooperation in what has been a very challenging time.

With love and prayers,

Mrs Johnson
