School News:

Weds 31st March, Nursery

The parents' evenings will be the same as last time, eg 2-6pm via zoom. Appointments can now be booked via school spider. We will be reporting to you on your child's current attainment in Maths and English and how they have settled back into school. If you are unable to attend we will send you this information via email.

Covid Measures

Please continue, as you have been doing, to follow all our school Covid measures. Although it feels as though we are close to the end of the pandemic, having to send children home today brings home how vigilant we still need to

be. It is a particular concern when children tell us about parties planned in their homes at weekends. Please be mindful that any infringement of the Covid restrictions increases the risk to all of us.

Again, I would like to thank all of our parents for their co-operation and support, it is much appreciated.

With love and prayers,

Mrs Johnson
