

Parents update Tuesday 25th May

Dear Parents and Carers,

I hope that you are all safe and well. As you may know there is a rise in cases nearby with a number of local schools having to close bubbles. Please continue to follow all our school guidelines so that we have as little disruption as possible.

Communicating with staff

May I remind parents not to engage staff in conversations at the door at the end of the school day. Not only does it increase the chance of transmission, it also makes the supervision of children who are still in the building difficult and delays other parents. If you wish to have a conversation with a member of staff, please telephone the school office and arrange a suitable time.

School Trips

We have been given the go ahead to arrange educational school trips, with appropriate covid measures in place. Due to lack of school funding, we will have to ask for a parental contribution to these trips. If enough parental contributions aren't made the trips will be cancelled. We will give you details of the trips via email with google forms for permission in the next few weeks.
