

St John Bosco RC Primary School

Sports Premium Strategy for the Academic Year – September 2016 to July 2017

What is the sports premium?

The Government provides funding to our school so that we can improve the quality of sport and P.E. for all our children. We have the freedom to choose how best to spend the funds. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport. The sport funding can only be spent on PE and sport provision in schools.

How will we be spending the Sports funding and who will benefit?

We agree that the funding will be used:

- For the benefit of all children
- To offer a range of sports and competitions to children who would not normally engage in sport
- To enable gifted and talented pupils to take part in sports competitions
- To provide training and continuing professional development for staff

Overview of St John Bosco RC Primary School

Number of pupils and sports premium funding received (2016-17)	
Total number of pupils on roll (this figures includes 60 Foundation Stage children who do not qualify for sports premium funding)	234
Amount of sports premium funding received: <ul style="list-style-type: none">• Block Amount• Additional amount per pupil	£8000 £5
Total amount of sports premium funding	£8,895

To provide specialist gymnastic teaching during the second half of the spring and the summer term (Beth Tweddle Total Gymnastics)	£700	Pupils in Years 1, 2, 5 and 6 taught by specialist gymnastic teacher with teachers receiving CPD through observations of lessons
After school clubs run by Teaching Assistants: <ul style="list-style-type: none"> • Rounders • Tennis • Multi Skills 	£500	Pupils across the school given an increased range of opportunities to participate in extra-curricular activities and providing a range of sports for pupils who would not usually engage in sport
City Play Early Years multi skills during the summer term (Manchester City)	£550	All pupils in Nursery and Reception given an opportunity to take part in physical activities outdoors

As a result of the Sports Premium funding which has enabled St John Bosco to:

- increase participation in both competitive and non-competitive extra-curricular sports activities
- increase the range of different sports offered through curriculum PE
- provide specialist sports teaching

We have for the first time achieved the Bronze level of the School Games Mark.

Increased participation in PE and school sports has also contributed to a decrease in the percentages of overweight and obese children from 27% in 2015/16 to 24.4% in 2016/17. The percentage of children within the healthy range from 73% to 75.6%.
