## Safeguarding Policy

### INTRODUCTION

This policy has been developed to ensure that all adults in St John Bosco RC Primary School are working together to safeguard and promote the welfare of children and young people. This policy will be reviewed in 2 years or sooner if there are updates to the policy.

This policy describes the management systems and arrangements in place to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to redress any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.

The Headteacher, or, in their absence, the authorised member of senior staff (deputy Headteacher or SENCo), has the ultimate responsibility for safeguarding and promoting the welfare of children and young people.

Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. It is an integral part of all activities, functions, culture and ethos of St John Bosco RC Primary School. This policy complements and supports other relevant school and Local Authority policies, including Child Protection, Safer Recruitment and internet and e-safety.

Under the Education Act 2002 schools/settings have a duty to safeguard and promote the welfare of their pupils and, in accordance with guidance set out in 'Working Together to Safeguard Children 2015' and 'Keeping Children Safe in Education September 2016', St John Bosco RC Primary School will work in partnership with other organisations where appropriate to identify any concerns about child welfare and take action to address them.

### ETHOS

St John Bosco RC Primary School aims to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously. Our school is committed to the principles outlined in 'Working Together to Safeguard Children 2015' and implements policies, practices and procedures which promote safeguarding and the emotional and physical well being of children, young people and staff.

The school is committed to supporting the delivery of effective early help through multi-agency working, a consistent application of the thresholds and the use of a single agency assessment using 'Signs of Safety', a strengths based model. Children have access to appropriate curriculum opportunities, including emotional health and well being, to support the development of the skills needed to help them stay safe and healthy, develop their self-esteem and understand the responsibilities of adult life, particularly in regard to child care and parenting skills.

Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of others, using the United Nations Convention on the rights of the child, particularly those groups who may be considered a minority.

St John Bosco RC Primary School will exercise diligence and prevent any organisation or speaker from using the schools facilities to disseminate extremist views or radicalise pupils and staff.

## **THE CURRICULUM**

All children have access to an appropriate curriculum which is broad and balanced and differentiated to meet their needs. This enables them to learn to develop the necessary skills to build self-esteem, respect others, defend those in need, resolve conflict without resorting to violence, question and challenge and to make informed choices in later life.

Children and young people are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect, understanding and empathy for others. There is access to a range of extra curricular activities, information and materials from a diversity of sources which not only promotes these values but supports the social, spiritual, moral well-being and physical and mental health of the pupils.

Personal Health and Social Education, Philosophy and Religious Education lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, forced marriage, family patterns, religious beliefs and practices and human rights issues.

St John Bosco RC Primary School takes account of the latest advice and guidance provided to help address specific vulnerabilities and forms of exploitation eg CSE, Radicalisation and Extremism, Forced Marriage, Female Genital Mutilation (See Annex A 'Keeping Children Safe in Education September 2016')

All pupils will know that there are adults in the school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect.

Pupils will be taught through the curriculum, assemblies and school visitors (eg NSPCC, school nurse) about safeguarding, including staying safe online.

## **ATTENDANCE & EXCLUSIONS**

St John Bosco RC Primary School views attendance as a safeguarding issue and in accordance with the school's Attendance Policy, absences are rigorously pursued and recorded. The school, in partnership with the appropriate agencies, takes action to pursue and address all unauthorised absences in order to safeguard the welfare of children and young people in its care.

The Attendance Policy identifies how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases this may form part of an Early Help Assessment.

We implement the statutory requirements in terms of monitoring and reporting children missing education (CME) and off-rolling and understand how important this practice is in safeguarding children and young people.

The school will only place young people in alternative educational provision which is a registered provider and has been quality assured. Young people who require access to alternative provision will have a personalised learning plan designed to meet their needs.

The designated person will be involved when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. Where it is felt that a child or young person is likely to be permanently excluded where possible a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved.

## **KEEPING RECORDS**

St John Bosco RC Primary School will keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment and attendance using SIMS. Referrals to and support from other agencies and a chronology of any other significant event in a child's life will be recorded on our electronic recording system, Child Protection Online Monitoring System (CPOMS).

The school's recruitment and selection policies and processes adhere to the DfE guidance "Keeping Children Safe in Education" September 2016.

## **WORKING WITH OTHER AGENCIES**

St John Bosco RC Primary School has developed effective links with other relevant agencies, for example, the Local Authority, Children's Social Care, Channel, GMP, NHS and the MSCB and co-operates as required with any enquiries regarding child protection issues. The school will notify the District Team if:

- A child subject to a child protection plan is about to be permanently excluded.
- There is an unexplained absence of more than two days from school of a pupil who is subject to a child protection plan.
- It has been agreed as part of any child protection plan or core group plan.

## **CONFIDENTIALITY AND INFORMATION SHARING**

Staff ensure that confidentiality protocols are followed and information is shared appropriately. The Headteacher or Designated Member of Staff discloses any information about a pupil to other members of staff on a need to know basis only.

All staff and volunteers must understand that they have a professional responsibility to share information with other agencies in order to safeguard children. All staff and volunteers must be clear with children that they cannot promise to keep secrets.

## **TRAINING FOR STAFF AND VOLUNTEERS**

All staff should be made aware of the school's safeguarding systems as part of their induction.

All staff should receive appropriate child protection training which includes the following:

- Basic safeguarding information about the school's policies and procedures,
- signs and symptoms of abuse (emotional and physical),
- indicators of vulnerability to radicalisation
- how to manage a disclosure from a child as well as when and how to record a concern about the welfare of a child.

In accordance with "Keeping children safe in education – September 2016" all staff will receive training at induction. The Designated Person for Safeguarding and deputies will receive refresher training every two years and safeguarding updates at least annually. All staff will receive appropriate child protection training which is regularly updated and receive updates at least annually.

Forced Marriage, Female Genital Mutilation, Domestic Abuse, Child Sexual Exploitation, Trafficking and Preventing Violent Extremism through the Wrap 3 programme.

## **RECORDING AND REPORTING CONCERNS**

All staff, volunteers and visitors have a responsibility to report any concerns about the welfare and safety of a child and all such concerns must be taken seriously. All staff need to be aware of the Early Help Process and be prepared to identify children who may benefit. If a concern arises all staff, volunteers and visitors must:

- Speak to the Designated Person or the person who acts in their absence
- Agree with this person what action should be taken, by whom and when it will be reviewed
- Record the concern using the school's safeguarding recording system

Where a child is in immediate danger or at risk of harm, a referral should be made to children's social care or the police immediately. Anyone can make a referral. Staff making a referral should inform the DSL as soon as possible.

## **INFORMING PARENTS/CARERS**

Our approach to working with parents/carers is one of transparency and honesty and our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers. In most cases parents and carers will be informed when concerns are raised about the safety and welfare of their child. Parents and carers should be given the opportunity to address any concerns raised.

Parents and carers will be informed if a referral is to be made to the Children's Social Care Service or any other agency.

Parents/carers will not be informed if it is believed that by doing so would put the child at risk. In such cases the Designated Person or Headteacher will seek advice from Children's Social Care.

## **DOMESTIC ABUSE**

The school is aware that children and young people's development, as well as their social and emotional resilience, is affected by many factors including exposure to domestic abuse within the family situation and is a safeguarding issue.

Children and young people react to domestic abuse in similar ways to other types of abuse and trauma.

Information about Domestic Abuse and its effect upon children and young people will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection's Policies and Procedures will be used to protect children and young people exposed to, and at risk from, domestic abuse. As part of 'Operation Encompass' Greater Manchester Police provide school with next day information regarding domestic incidents where children were present.

Any child or young person thought to be at immediate risk will be reported without delay to the police service as a 999 emergency and the Manchester Children's Service contact Centre will be contacted as soon as possible.

## **FORCED MARRIAGE**

Forced Marriage became a criminal offence in June 2014. It is a form of child, adult and domestic abuse and, in line with statutory guidance, is treated as such by our school. The school is sensitive to differing family patterns and lifestyles and child-rearing patterns that vary across different racial, ethnic and cultural groups. Child abuse cannot be condoned for religious or cultural reasons.

Information about Forced Marriage will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection Policies will be used to protect a victim or potential victim of forced marriage.

If a case of forced marriage is suspected it will be viewed as a safeguarding concern, parents and carers will not be approached or involved about a referral to any other agencies.

## **FEMALE GENITAL MUTILATION**

Female Genital Mutilation (FGM) is illegal in the United Kingdom and is a violation of human rights of girls and women. Information on FGM will be incorporated into staff Safeguarding and Child Protection training and briefings.

Any concerns that a young person may be at risk of FGM will be referred to the appropriate safeguarding agencies and if it is discovered that an act of FGM has been carried out, this must be reported to the police.

## **PREVENTING RADICALISATION and VIOLENT EXTREMISM**

St John Bosco RC Primary School values the fundamental rights of freedom of speech, expression of beliefs and ideology and tolerance of others which are the core values of our democratic society. However, all rights come with responsibilities and free speech or beliefs designed to manipulate the vulnerable or which advocate harm or hatred towards others will not be tolerated. St John Bosco RC Primary School seeks to protect its students and staff from all messages and forms of violent extremism and ideologies including those linked to, but not restricted to, the following: Far Right/Neo Nazi, White Supremacist ideology, Islamist ideology, Irish Nationalist and Loyalist paramilitary groups and extremist Animal Rights groups.

St John Bosco RC Primary School is clear that exploitation and radicalisation will be viewed as a safeguarding concern and will be referred to the appropriate safeguarding agencies through the Prevent Strategy.

## **E-SAFETY**

St John Bosco RC Primary School has an E-Learning Policy which recognises that E-safety is a safeguarding issue not an ICT issue. The purpose of internet use in school is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance the school's management information and business administration.

The internet is an essential element in 21<sup>st</sup> century life for education, business and social interaction and St John Bosco RC Primary School has a duty to provide children and young people with quality access as part of their learning experience.

It is the duty of St John Bosco RC Primary School to ensure that every child and young person in its care is safe and this applies equally to the 'virtual' or digital world.

St John Bosco RC Primary School will ensure that appropriate filtering methods are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material.

## **CHILD PROTECTION CONFERENCES AND CORE GROUP MEETINGS**

Members of staff are likely to be asked to attend a child protection conference or other relevant core group meetings about an individual pupil and will need to have as much relevant updated information about the child as possible. A child protection conference will be held if it is considered that the child/children are suffering or at risk of significant harm.

All reports for a child protection conference should be prepared in advance of the meeting and will include information about the child's physical, emotional, intellectual development and well being as well as relevant family related issues. This information will be shared with the parents/carers.

## **MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF AND VOLUNTEERS**

The school follows the government guidance 'Keeping Children Safe in Education – September 2016' when dealing with allegations made against staff and volunteers.

All allegations made against a member of staff and volunteers, including contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

## **COMPLAINTS OR CONCERNS BY PUPILS, STAFF OR VOLUNTEERS**

Any concern or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.

We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint. We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

## **SERIOUS CASE REVIEWS**

The Manchester Safeguarding Children Board will always undertake a serious case review when a child or young person dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the serious case review is to:

- Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people.
- Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.

- Improve inter-agency working to better safeguard and promote the welfare of children and young people.

If required St John Bosco RC Primary School will provide an individual management report for a serious case review and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.

## **VISITORS**

All visitors, including visiting speakers, are subject to the school's safeguarding protocols while on site and will be supervised at all times. All visitors to and volunteers at school will be given a copy of our school safeguarding leaflet.

## **BOOKINGS**

St John Bosco RC Primary School operates a responsible booking protocol and will carry out appropriate checks and will exercise due diligence to prevent an organisation or speaker from using the school's facilities to disseminate extremist views or radicalise pupils or staff.
