Dear Parents and Carers

Welcome back to a very busy final half term of this year. Dates of events are all listed at the end of the newsletter.

School trips and visits

A reminder that almost all of our classes have a trip later this term. To ensure that we are able to provide for children experiences they would not usually have, we do ask parents to make a voluntary contribution towards these activities. If you haven't already contributed, please can you make your contribution via Agora before your child is due to go on their visit, thank you.

Guitar and Ukulele performance

On Monday 9th July at 3pm there will be a musical performance by the children who have been learning to play the guitar or ukulele this year. All parents and carers are welcome to attend.

Parents Forum meeting

Thank you to all the parents who attended the last Parents Forum meeting on 23rd May – there was a fantastic turn out. Notes from the meeting can be found on the school website

<http://www.st-johnbosco.manchester.sch.uk/page/parents-forum>

The final meeting of this school year will take place on Tuesday 10th July at 2.45pm. All parents and carers are invited to attend. Please do use the suggestion slips in the school entrance if you have any items for the agenda.

Rights Respecting Schools

The assessment for the silver level of the Rights Respecting Schools Award will take place on Friday 6th July. As part of the assessment the assessor would like to speak to some parents about what children have been learning. We do have some volunteers from the last parent forum meeting, but if any other parents would be happy to talk to the assessor, please let our school office know, thank you for your support.

Sports Competitions

Well done to all the children who have represented our school in recent Manchester Schools sports competitions – the first time we have taken part in cycling or rounders.

The Year 5 cycling team came 3rd in the Go Ride cycling competition at Our Lady's High School, putting their new Bikeability skills to the test.

The Year 4 and 5 rounders team played really well in the Rounders competition at St Matthew's, winning their first game

National Association for Able Children in Education
