

Parent update Wednesday 24th November 2021

Dear Parents and Carers,

Thank you for your increased vigilance around drop off and home time following the incident at another school last week.

**School holidays** – please see the school calendar for this school year (2021-22) and the following year (2022-23). I know some people are looking to book their holidays ahead

**Packed lunches** – If your child is on packed lunches please don't send warm food or soup in flasks/ insulated bowls. We have a full menu again for hot lunches, please contact the office if you want to change your child to school dinners.

**Local clubs** – Please click these links to see information about Football Coaching and Karate. Please note they have come from outside agencies with a request that we share with parents. They aren't linked to school or the local authority. I am sharing them with you as I know many clubs and activities closed for the lockdown and didn't reopen.

**Christmas Events** Last year we videoed events and sent them to you via email. This year we are going to invite families in to watch our Christmas productions again. Please note we can only accommodate 2 people per family.
