

Parent Update Tuesday 15th March 2022

Dear Parents and Carers,

Thank you for your donations to our collection for the Ukraine. We collected a huge range of toiletries and medical supplies which were taken by one of our parents to the Ukraine border. Thank you also for the cash donations towards the fuel costs and thank you to those parents who helped to organise this. It was very moving to see everyone our community working together in this way.

We have visitors in school this week – not ofsted! The living eggs have arrived and we are eagerly waiting for them to hatch, we should have some lovely chicks by the end of this week.

We are also busy preparing for Easter with liturgical assemblies on Monday's and prayer services in the classes on Friday mornings led by our GIFT Team.

Visit our Twitter feed to see regular updates about activities in school:

Bag2School – Thank you for sending in the donations for the bag2school event, we had over 500kg of re-useable clothes, which earned £200 for the school fund.

Parents' evening this term – This will take place on **Thursday 7th April**. It will be held via zoom and we will let you know when appointments are open for booking. These will be available via school spider so please make sure you are signed into the app.

SEND review meetings – These will also be held via zoom during week commencing 4th April, if you are invited to an SEND review this is instead of parents' evening, you don't need to do both.

Parents' Survey – Your views and your relationships with us are very important. I'd be grateful if you could complete the following parent survey.
