

Parent update 8.2.21

Dear Parents and Carers,

I hope you are safe, well and warm!!! Thank you for your continued support of school. The remote learners submitting their work and attending our assemblies, really lifts our spirits! The in school learners and their smiling faces each day are a much appreciated blessing too.

Home learning – thanks you for continuing your efforts with this, we know it is a challenge. Please encourage your children to try their best even when they are unsure...the habit of “having a go” is a valuable character trait.

School places – Unfortunately there is no change in our current situation. We have a number of families waiting for places in school and we will contact you if (and as soon as) a place in school is available.

Screen Free Friday – Each half term we try to do something a little different on the last day of term. This week we’ll be having “Screen Free Friday.” The teachers will set tasks for home learners on the day before, but they will be different from usual. You don’t have to do them all, choose the ones that suit you, there will be some interesting challenges.

In school learners, must come in their PE kits on Friday (ie plain black joggers, black trainers and their school jumper). Our celebration assembly this week will be on **Thursday 11th February at 2.15pm.**

Half term holiday – School will be fully closed from Friday 12th and will reopen on Tuesday 23rd February. Monday 22nd February is a staff training day, there will be no in-school or remote learning provision that day.

Chinese New Year – We know the celebrations will be very different this year but we still wish the Chinese families in our community Kung Hei Fat Choi and hope for happiness and peace in the Year of the Ox.

With love and prayers,

Mrs Johnson
