

Parent update Tuesday 13th June 2023

Dear Parents and Carers,

What incredible weather we're having – Summer is here!! We are trying to keep the children as cool as we can, thank you for your support with sunscreen, hats, appropriate clothing etc.

School Trips - We have two school trips planned before we finish for the summer:

Tuesday 27th June – We are taking all the children from **Y1 to Y6** on a trip to the beach. We have subsidised the trip and will be asking for a voluntary contribution of £10 per child. We would also be very grateful for donations/loans of buckets and spades for the day (please start sending them in).

Friday 14th July – We are taking the children from **Reception and Nursery** to Smithills country farm on Friday 14th July. We have subsidised the trip and will be asking for a voluntary contribution of £15 per child. We are about to launch a new payment system for trips (and all other school payments) called SchoolComms. We will send further information about this later in the week when we send you further details and permission forms for both trips.
