

Parent Updates

Monday 5th February 2024

Dear Parents and Carers,

Another busy, but brilliant week has gone by! Our St John Bosco Feast day was a lovely reflective day where the children had several opportunities to 'let their lights shine' and produced some beautiful work and excellent colourful lanterns. Our NSPCC Number day was a great day of fun and challenging mathematical activities from Nursery to Year 6. It was fantastic to see the whole school in clothes with numbers on. Thank you for all the money you donated- we raised £167!

For National Story Telling week, many of our older classes buddied up with younger children to read to them. They had a super time reading with each other. Have a look on our Instagram page to see some gorgeous photos of your children participating in these activities. Scan the QR code below and it will take you straight to our page...

PTA meeting- We had our first PTA meeting of 2024 this week. Our PTA is a small group of staff and parents that run events for the children and families of St John Bosco with the sole purpose of developing our school community and raising funds for the children in our school. They are fun meetings with tea, coffee, biscuits or cakes and are always enjoyable. We are always keen for new people to join us! We have planned a few events for the next few months- put these dates in your diary...
