

St John Bosco RC Primary School

Pupil Premium Strategy for the Academic Year – September 2018 to July 2019

St John Bosco Catholic Primary School receives additional Pupil Premium funding from the Government for children who are known to have been eligible for Free School Meals (FSM) during the previous six years and children who have been continuously been looked after for more than six months. The additional funding is to help to close the attainment gap experienced by pupils from disadvantaged families. The purpose of this additional funding is to raise aspirations, improve progress and increase achievement for these pupils.

A summary of the main barriers to achievement faced by eligible pupils can be found in the Pupil Premium Policy available at <http://www.st-johnbosco.manchester.sch.uk/page/policies>
